As the Board of Directors places substantial reliance on reference approval, the processing of your application may be delayed until the qualified reference approval has been obtained. You should ask one SPWLA Member to act as a reference, reminding them of the periods of your association with them. It is highly desirable that your reference examine the facts which you have entered on the application and then complete a reference line with signature under Part C. If the reference signature is missing, the Membership Committee may need to refer the application to the reference. (Please include the complete name and mailing address of any such reference.) If you are unable to secure a SPWLA Member reference, you may request a responsible person who can vouch for your qualifications to act as a reference. In this case, please include with your application a letter to the Board of Directors explaining this irregularity.
